Product Datasheet

OUR REF: 30-C

PRODUCT DESCRIPTION

The CLIMAX model 30-C fall arrest harness is especially designed and manufactured to work in situations where there is a risk of falling from a height. Its 2 anchoring points enable the user to be safely secured at the workplace. The harness adapts perfectly to the user's body thanks to its leg strap length adjusters, enabling the user to work in total comfort and with freedom of movements.

Maximum Life of product from manufacture date is 5 years

NOTE: Activities at height are dangerous activities which may lead to severe injury or even death. Gaining an adequate apprenticeship in appropriate techniques and methods of safety is your own responsibility.
