

Product Identifiers

Name: Vacmaster HEPA H13 Cartridge Filter

SKU: 951316

EAN: 6939349513169

Product Features:

Genuine Vacmaster® Certified HEPA 13 cartridge filter.

Captures the finest dust and allergens, removing at least 99.95% of air particles as small as 0.3 microns in diameter.

Clean by tapping and then brushing the dust away from between the pleats.

For dry use only.

N.B. Essential filter for L-Class Certified Vacuum Cleaners. Not suitable for maintaining M-Class certification when used in M-Class vacuum cleaners.
