ABW66RZ	110,4	6,6

INSTALLATION

Installation

- Place the base washer and nut on the anchor bolt, loosely fasten the nut.
- Place the stand off base and then the post in the ABW and fasten on three vertical sides.
- Make any necessary adjustments to post placements and tighten the nut anchor securely.
- Bend up the fourth side of the ABW and fasten.
- Not recommended when the top of post/column is not restrained (e.g. fence post).
